(3) General agents and agents will represent only one accredited commercial insurance company. The overseas commander may waive this requirement if multiple representation can be proven to be in the best interest of DOD personnel.

(4) An agent must possess a current State license. The overseas commander may waive this requirement on behalf of an accredited agent who has been continuously residing and successfully selling life insurance in foreign areas and forfeits his eligibility for a State license, through no fault of his own, due to the operation of State law or regulation governing domicile requirements, or requiring that the agent's company be licensed to do business in that State. The request for a waiver will contain the name of the State and jurisdiction, which would not renew the agent's license.

(5) An agent, once accredited in an overseas area, may not change his affiliation from the staff of one general agent to another, unless the losing company certifies, in writing, that the release is without justifiable prejudice. Unified commanders will have final authority to determine justifiable prejudice.

(6) Where the accredited insurer's policy permits, an overseas accredited life insurance agent, if duly qualified to engage in security activities either as a registered representative of a member of the National Association of Securities Dealers or an associated person of a broker/dealer registered with the Securities and Exchange Commission only, may offer life insurance and securities for sale simultaneously. In cases of commingled sales, the allotment of pay for the purchase of securities cannot be made to the insurer.

(7) Overseas commanders will exercise further agent control procedures as necessary.
